THE

# BEST WAY

to GET PAID.

---

*What if one little change could protect your money, free up your time, and clean up the environment?*

*That's direct deposit: the safer, smarter, greener, easier way to get paid.*

*Sign up today. It only takes five minutes.*

Switching from paper paychecks to direct deposit doesn't seem like a big deal, but it gives you big benefits.

**You get paid sooner.** Your money is available in your account as early as midnight on payday.

**You save time.** You don't have to travel to the bank or check casher every two weeks. Your pay goes directly to your account.

**You save money.** No more monthly checking account fees or check cashing fees.

**Your money is safer.** Paychecks can be lost or stolen, or unavailable in emergencies. With direct deposit, your money is safe and sound in your account.

**You reduce waste and pollution.** If everybody makes the switch, we'll eliminate huge amounts of waste every year. It's better for the environment.

Enrolling is easy. Just tell your employer you'd like to sign up, and they'll ask you to fill out a simple authorization form. That's it.

---

**ABOUT  
CURRENC SF:**

*CurrenC SF is a new initiative dedicated to extending the benefits of direct deposit to every business and worker in San Francisco.*

*It's sponsored by the City and County of San Francisco, dedicated to building financial security for all San Franciscans.*

## FAST FACTS about DIRECT DEPOSIT.

Direct deposit is an electronic payment directly to your checking or savings account. Three of four working Americans who have access to direct deposit use it, and 97% of direct deposit users are very satisfied with it.

— • —  
You don't have to go to your bank or credit union for your money to be deposited.

— • —  
You pay no extra fees to receive your money. Sometimes it can even help you eliminate monthly account fees.

— • —  
Your deposits can be split between accounts, helping you to save.

— • —  
Almost all banks and credit unions accept direct deposit, so the choice is yours.

— • —  
Direct deposit payments never get lost.

— • —  
Direct deposit reduces the risk of identity theft.

— • —  
Your money is protected by federal consumer protection regulation and banking rules.

— • —  
Electronic payments help protect the environment by reducing waste.
